WHOLESALE PRICE LIST
OCTOBER AND NOVEMBER 1942

** **

SALES CONDITIONS: Prices include packing but not transportation costs. Quantities quoted are minimum at these prices. This list is complete as to the stock available at present and supersedes and cancels all previous lists. Cash should accompany order unless goods are shipped C.O.D. or unless credit has already been established. 2% discount will be allowed for cash with order. All material is offered subject to prior sale of stock on hand.

ASSORTMENTS: Many buyers, expecially those who are not familiar with our line of goods, prefer to have us make up an assortment with a view to their particular type of trade. This leeway of choice enables us to give maximum satisfaction by furnishing plants which are looking best at the time the order is made up. All assortments consist of 100 plants. The unit cost of plants in these assortments is calculated from the hundred rate. In this way a dealer is able to obtain a variety of plants in small lots, yet, still get advantage of the quantity price.

ALL-IN-ONE ASSORTMENT

100 unlabeled plants, 50 varieties, 2 of each kind, $5 00

This is one of our most popular assortments. Try it if you have been seeking more variety and something different to please those particular customers. 50 different varieties in a well balanced collection.

CACTUS ASSORTMENT #1

100 plants, 12 labeled varieties, $2.50

Rugged, colorful cacti that will thrive under conditions that would be fatal to other types of plants. Globular species from 1" to 1½"; columnar types from 2" to 3".

CACTUS ASSORTMENT #2

100 plants, 10 labeled varieties, $5.00

This is a collection of rare varieties, of beauty and distinction. An order for this assortment would include globular plants from 1" to 1½" and columnar types up to 2½".

COMBINATION ASSORTMENT

100 plants, 25 varieties, $2.50

An assortment giving wide variety of colorful plants, combining a selection of unlabeled plants from Cactus Assortment #1, Succulent Assortment #2 and including an assortment of Echeverias. Ideal for planting attractive dish gardens.

MINIATURE POT ASSORTMENT

100 plants, $2.50

At least 10 different kinds of choice, small plants, unlabeled, none over 1". All plants have mature appearance even though very small.

ROOTED OPUNTIA ASSORTMENT

100 rooted cuttings, $2.50

The species offered in this assortment are especially selected for dish gardens and include a wide variety of plants that are spineless or nearly so.

UNROOTED OPUNTIA ASSORTMENT

100 Cuttings, $1.50

Opuntias root easily during summer and fall. This very economical offer of at least ten different kinds includes Opuntia monacantha variegata.

ROOTED SUCCULENT ASSORTMENT #1
